5) Prompts to select the driver destination folder

Select a destination folder WorldShip 12.0 will be inst	where Avery Weig alled.	gh-Tronix Scale [Drivers for
** If WorldShip was installe the Next button to install the	d to its' default loc driver files.	ation on the c: d	lrive, simply click
installation folder, ex; c:\al	e location, click Br t or d:\Ship Set	owse and select up appends path	to driver folder.
Destination folder			
C:\UPS\WSTD\SCALES			Browse
Space required: 2.46KB			
Space available: 57.46GB			

If WorldShip was installed in its' default location on the c: drive, simply click the **Next** button and the drivers will be installed in the c:\UPS\WSTD\SCALES folder.

IMPORTANT: If WorldShip was installed to an alternate location, for example to c:\alternate or d:\Shipping then click the **Browse** button and select the drive and folder where it was installed.

The setup program will automatically append the path to where the drivers should be installed, for example to c:\alternate\UPS\WSTD\SCALES or d:\Shipping\UPS\WSTD\SCALES

Click the Next button.

6) Files are copied to the installation folder... click the **Next** button.

7) Installation is complete... click the **Finish** button.
